

Human Resource Manual — Super Green Farm

This manual provides baseline HR policies for **Super Green Farm**. It is a general template and should be reviewed for compliance with local labor laws and any collective agreements before adoption.

1) About Super Green Farm

- **Purpose:** Sustainable farming and agricultural production.
- **Values:** Safety, integrity, quality, respect, environmental stewardship.

2) Scope & application

This manual applies to all employees, workers, interns, and contractors of Super Green Farm unless a written contract or law provides otherwise.

3) Employment categories

- **Permanent (full-time/part-time):** Ongoing employment.
- **Fixed-term:** Employment for a defined period or project.
- **Seasonal/casual:** Work tied to planting/harvest or demand peaks.
- **Intern/trainee:** Learning-focused placement with defined supervision.
- **Contractor/service provider:** Not an employee; governed by a service agreement.

4) Equal opportunity & non-discrimination

Super Green Farm is committed to a workplace free from discrimination and harassment.

- Decisions on hiring, pay, training, promotion, and discipline are based on merit and operational need.
- Protected characteristics (where applicable) include race/ethnicity, nationality, religion, disability, age, marital status, pregnancy, and any other categories protected by law.

5) Recruitment & hiring

- Workforce needs are approved by management.
- Hiring steps typically include: job posting, shortlist, interview, reference checks, offer letter/contract.
- Required documents may include: identity documents, work authorization, certificates, and emergency contacts.

6) Employment contracts & probation

- All employees receive written terms (job title, duties, location, hours, pay, benefits, leave, and notice).
- **Probation (if used):** Typically 1–6 months depending on role. During probation, performance and fit are assessed, with coaching and documented feedback.

7) Onboarding

New starters should receive:

- Farm orientation and introductions
- Safety induction and PPE issuance
- Role training and expectations
- Timekeeping and payroll instructions
- Review of key policies (conduct, harassment, safety, leave)

8) Working hours, attendance & timekeeping

- Working schedules are set by department/season and may change due to weather, crop needs, or emergencies.
- Employees must:
 - Arrive on time and ready for work
 - Record time accurately (timesheet/clock-in)
 - Notify supervisors as early as possible for absence or lateness
- Repeated attendance issues may lead to disciplinary action.

9) Overtime & rest breaks

- Overtime requires supervisor approval when possible.
- Overtime rates/compensation follow applicable law and contracts.
- Rest breaks and meal periods are provided as required by law and operational conditions.

10) Pay, payroll & deductions

- Pay periods (e.g., weekly/biweekly/monthly) are communicated in writing.
- Payslips (or equivalent) show earnings and deductions.
- Deductions may include statutory deductions, authorized advances/loans, and benefit contributions where applicable.

11) Benefits (summary)

Benefits may include (depending on role and eligibility):

- Statutory/social security coverage
- Paid leave
- Medical support/insurance (if provided)
- Meals/transport (if provided)
- Housing (if provided) with written rules for occupancy

12) Leave policy

12.1 Annual leave

- Eligible employees accrue annual leave per law and contract.
- Leave requests should be submitted in advance, and approval depends on staffing needs and peak seasons.

12.2 Sick leave

- Employees must notify supervisors as soon as possible.
- A medical note may be required depending on length/frequency of absence.

12.3 Maternity/paternity/parental leave

- Provided according to applicable law and employment terms.

12.4 Compassionate/bereavement leave

- Granted for immediate family emergencies or bereavement, as permitted by policy and law.

12.5 Unpaid leave

- May be approved in exceptional circumstances, subject to management approval.

13) Code of conduct

Employees are expected to:

- Treat others with respect
- Follow lawful instructions from supervisors
- Protect farm property and equipment
- Avoid conflicts of interest
- Keep confidential business information private

Prohibited conduct includes:

- Theft, fraud, or deliberate damage
- Violence, threats, intimidation, or harassment
- Being under the influence of alcohol/drugs at work
- Serious insubordination
- Falsifying records (e.g., timesheets, production logs)

14) Workplace harassment & sexual harassment

- Harassment of any kind is not tolerated.
- Reports will be handled confidentially as far as possible and investigated promptly.
- Retaliation against anyone who reports or participates in an investigation is prohibited.

Reporting channels:

- Immediate supervisor (if appropriate)
- HR/Management
- A designated trusted contact (if assigned)

15) Health, safety & environment (HSE)

Farming involves hazards (machinery, chemicals, heat, animals, tools).

- Follow all safety instructions and signage.
- Use PPE as required (boots, gloves, masks, eye protection).
- Report hazards, near misses, and incidents immediately.
- Only trained/authorized employees may operate machinery.
- Safe chemical use:
 - Follow label instructions
 - Store chemicals securely
 - Use correct mixing and application procedures

- Maintain records where required
- Environmental stewardship:
 - Proper waste disposal
 - Water conservation
 - Soil protection practices

16) Farm-specific rules (operations)

- Hygiene and food safety procedures must be followed for any produce handling/packing.
- No smoking in restricted areas (especially near fuel/chemicals or produce).
- Visitors must be authorized and follow safety rules.
- Animals (if any) are handled only by trained staff.

17) Use of farm property & resources

- Tools, vehicles, fuel, phones, and IT resources are for work purposes unless authorized.
- Loss or damage must be reported immediately.
- Employees may be responsible for negligent damage per law and policy.

18) Training & development

- Training may include: safety, equipment operation, pesticide handling, first aid, irrigation, and quality standards.
- Managers should document role training and any required certifications.

19) Performance management

- Expectations are set for each role (quality, output, safety, teamwork).
- Performance is reviewed regularly, especially after onboarding and at least annually (or seasonally).

- Coaching and improvement plans may be used where performance is below expectations.

20) Disciplinary procedure

Super Green Farm uses fair and consistent discipline.

Typical steps (depending on severity):

1. Verbal warning (documented)
2. Written warning
3. Final warning
4. Termination

Serious misconduct may lead to immediate suspension pending investigation and/or termination, consistent with law.

21) Grievance procedure

Employees may raise concerns about work issues without fear of retaliation.

1. Discuss with supervisor
2. Escalate to HR/Management
3. Written grievance review and decision
4. Appeal (if available)

22) Employee records & privacy

- The farm maintains personnel files (contracts, IDs, leave, performance, discipline).
- Access to employee records is restricted to authorized staff.
- Employees should keep personal information up to date.

23) Communication

Official communication may occur via:

- Notice boards
- Meetings/briefings
- SMS/WhatsApp (if used)
- Written memos

Employees should check official channels regularly.

24) Termination, resignation & exit

- Notice periods follow law and contract.
- Final pay includes outstanding wages and any accrued leave entitlements where applicable.
- Company property must be returned before final clearance.

25) Acknowledgment

All employees should confirm they have received, read, and understood this manual, and agree to comply with its policies as a condition of employment.
